The 2026 Conservation Camp week reserved is July 12-17: 4-H *On The Wild Side* (age: 10-16)

The description reads: "In America's technology-based culture, the gap between youth and nature is growing. Experience nature and reunite with the great outdoors. Create a meal from gathered plants, fillet a fish and cook it over an open fire, sleep under the stars, climb a mountain, swim in a pond, create nature crafts, and more. Truly experience the great outdoors. Campers will also have a chance to enjoy a host of traditional camp activities like campfires, hikes, outdoor games, archery, and more. Sounds like fun!"
